

SCHOOL PSYCHOLOGY INTERNSHIP IN GERMANY

Learn about school psychology in international schools with a dynamic multidisciplinary student support agency based in Berlin, Germany. You will be supervised by a PhD Educational Psychologist and along side other international school psychologists, counselors, SLTs, and OTs with the opportunity to travel to schools around Europe.

We are now accepting applications from highly motivated, experienced, flexible, internationally-minded graduate students and early career school psychologists for 1 full time, 10-month international internship for the 2020-2021 school year. Stipend: \$ 13,000

Our School Psychologists:

- Conduct Psychoeducational Evaluations
- Design Functional Behavior Assessments & Behavioral Intervention Plans
- Administer Academic Interventions and Progress Monitoring
- Provide Parent and Teacher Consultation
- Deliver Staff In-Service Trainings
- Provide Individual and Group Counseling
