REMOTE SUPPORT FOR INTERNATIONAL STUDENTS ANYWHERE IN THE WORLD

As an international educational support agency, we know that while global education in a residential setting offers incredible opportunities for learning and growth, it also carries unique challenges.

Our English speaking team of compassionate counselors and educators are experts in building resilience and agency in students by providing the care, skills, and support they need.

COLLABORATION IS KEY

The secret to our success is simple. We work in close collaboration with the key staff in each student's life.

Working with Linden Global Learning gives schools access to a comprehensive international student support network without having to hire a whole fleet of specialists. Available online or on site as needed, our international team includes highly qualified:

- Educational Psychologists
- Learning Support Specialists
- Clinical & Counseling Psychologists
- Behavior Specialists
- Speech & Language Therapists
- Occupational Therapists
- Autism Spectrum Specialists
- Leadership Coaches
- Inclusion Consultants

LINDEN SELECTS THE BEST SPECIALISTS FROM AROUND THE WORLD:

- Meticulously vetted
- Highly qualified
- Internationally minded
- 16 languages
- Resource-activating, solution-oriented attitude

“Linden is always able to find great professional solutions for complex and difficult situations in an international school environment. The team of specialists acts with great care, competence and flexibility, and is highly regarded among our staff, parents and students. Intercultural understanding, excellent communication and the determination to find pragmatic and tailor-made solutions are some of the qualities that I appreciate the most.”

A SWISS INTERNATIONAL SCHOOL

MENTAL HEALTH COUNSELING

COMPASSIONATE COUNSELING FOR BUILDING RESILIENCE

Are your students struggling with the demands of living and learning far from home? Do you need a more agile and diverse counseling team than currently available for you locally?

In collaboration with your staff, our international team of online school counselors and psychologists offer students solutions-focused mental health support and guidance in any time zone.

SPECIAL NEEDS SUPPORT

A COMPREHENSIVE ONLINE STUDENT SUPPORT SERVICES TEAM

Do you often feel overwhelmed with the high levels of learning needs presented by your students? Would you like to offer more special needs support than is currently available?

Our international team of experts can fill gaps in your student support services team by working directly with students and staff in individual or small group sessions. We can also support staff by creating team strategies, designing interventions, developing individualized learning plans, providing trainings, and answering questions.

SCHOOL PSYCHOLOGISTS ON WINGS

ON CALL PSYCHOLOGICAL SUPPORT & ASSESSMENTS AT YOUR DOORSTEP OR FINGERTIPS

Have you ever needed a school psychologist on short notice for an emergency? Is hiring an additional on-site school psychologist not feasible for your school?

In emergency situations, our highly qualified psychologists can come to your campus within 48 hours of a request. Psychoeducational assessments can be arranged on short notice as well. Our state of the art cognitive, achievement, and social emotional evaluations help you understand your students' unique learning profiles and guide intervention planning. Now available as remote online or on-site assessments.

STAFF SUPPORT & LEADERSHIP COACHING

ON-DEMAND SOLUTIONS-FOCUSED SUPPORT FOR LEADERS, COUNSELORS & STAFF

Are you looking to make a change in your school, your leadership style or your teaching? Does your staff need support in boosting their mental health? Does your position demand high levels of confidentiality that sometimes leave you feeling isolated?

Select mental health experts or mentors from our experienced leadership coaches and consultants to support your development and help your staff align with your school's mission. We are available online or on site to help you and implement practical solutions that will make a difference.
